My original information indicated that the checks from John Beckelhymer and J.R. Hurd both in the amounts of \$1,000.00 each were received on March 25, 2004. After reviewing the actually check information, I learned that both checks were received on March 5, 2004. Accordingly, I have amended and corrected this report. It is and always has been my indent and the intent of the committee to file correct and accurate reports.
